

Human Powered Ethics Reporting

WhistleBlower Security delivers secure 24/7/365 live-answer Ethics Hotlines and Case Management Services for public, private and not-for-profit industries of all sizes around the globe.

Our Global Ethics Hotline services offer the most human whistleblower experience in the market, a more intuitive process with faster response times while maintaining anonymity for whistleblowers, leading to better and more effective investigations.

Our Services Include

Global Ethics Hotline Services

We offer a robust Global Hotline Service to provide your organization with a trustworthy ethics reporting process, ensuring employees, customers and suppliers feel safe and secure when reporting ethics and compliance related issues.

Case Management

Our *IntegrityCounts*™ Case Management application is a modern, highly intuitive system providing your organization with a simple, customizable web-based confidential ethics reporting system that increases employee engagement to nurture a culture of ethics and integrity.

Speedy Implementation and Quality Service

Our high quality and attentive implementation process helps to get your organization up and running quickly with ongoing support available when you need it.

Customization

Whether large or small, we offer practical customization options to meet the unique needs of your organization.

Global Capabilities

We offer broad language capabilities and quality translation services to serve global audiences, ensuring the reports are accurately captured and delivered for investigation.

Data Privacy & Security

WhistleBlower Security's data servers are located in Canada, providing clients with strong data privacy and security capabilities, meeting worldwide privacy standards. We are ISO 27001 Certified.
